Education

PhD	Philosophy	The Ohio State University	Columbus	OH
MA	Philosophy	Virginia Tech	Blacksburg	VA
BS	IT Management	Bethel College (now University)	Mishawaka	IN
BA	Philosophy	—	—	—

Graduate Coursework in Instruction	*Certification*
· College Teaching	· Quantitative Research and Inquiry Methodology, Indiana University Bloomington *(in progress)*
· Course Design in Higher Education	· Data Scientist with Python, DataCamp *(in progress)*
· Teaching Philosophy	· Agile Certificate, Purdue University
· Teaching Adults Online	· Applying the QM Rubric, Quality Matters

Experience

Lead Instructional Designer 2023–Present
Sr. Instructional Designer, 2022–23
Instructional Designer, 2020–21
Purdue University

Instructional Design

· Crafted course outcomes, objectives, structure, activities, and assessments in collaboration with faculty across academic disciplines
· Iterated module prototypes to demonstrate LMS capabilities to faculty
· Transformed lecture materials into webpages with custom HTML, CSS, and graphics aligned with institutional and partner branding
· Identified and implemented instructional technologies that aligned with course outcomes and objectives

Faculty Development

· Co-led curriculum design for new faculty development program
· Redesigned faculty development program in cross-functional team
· Led cohorts of faculty in transforming courses grounded in pedagogical frameworks and theories

Project Management

· Led program development for external think tank
· Created, assessed, and reported the status of project milestones
· Identified, monitored, and communicated project risks to stakeholders
· Managed competing expectations and goals of project stakeholders

Organizational Development

· Collaborated with cross-functional team to create an employee growth and development plan
· Programmed web application for self-service banner image creation
· Developed student feedback survey in collaboration and consultation with colleagues
· Improved onboarding experience by co-creating onboarding course and facilitating peer discussion group

Data Analysis

· Designed, disseminated, and analyzed surveys
· Automated visualizations for survey results with Python
· Created executive summaries of survey analyses for senior leaders

Teaching Associate, Ohio State, 2014–19

Instruction

· Designed and delivered face-to-face and asynchronous online courses for undergraduates
· Aligned course objectives and activities to meet institutional general education requirements
· Solicited learner and external feedback to improve aspects of course designs
· Co-designed and delivered lessons for secondary International Baccalaureate (IB) Theory of Knowledge course

Instructional Support

· Presented strategies for teaching introductory logic to future instructors
· Illustrated enabling remote proctoring using a screencast for department instructors and faculty

Teaching Assistant, Virginia Tech, 2011–13

Instructional Support

· Summarized, explained, and clarified lecture material to individual and small groups of students
· Calibrated grading rubrics to ensure uniform treatment from multiple assessors
· Assessed student performance and participation

Teaching

· Introduction to Philosophy, Purdue: 4 semesters (online), Ohio State: 2 semesters (1 online)
· Introduction to Logic, Ohio State: 2 semesters (1 online)
· Engineering Ethics, Ohio State: 3 semesters
· Philosophy of Religion, Ohio State: 1 semester

Technical Skills

Learning Management Systems/MOOCs

· Brightspace, edX, Canvas, Blackboard

Creative Software

· Photoshop, Premiere Pro, Illustrator, Dreamweaver, InDesign, Acrobat, Camtasia, Webflow, OBS, ProPresenter, HandBrake

Programming, Markup & Typesetting

· LaTeX, HTML, CSS, JavaScript

Data Science

· Python, pandas, matplotlib, Jupyter Notebook, SPSS

Academic Research & Service

· "The Introduction to Philosophy Essay at Scale" Presentation at Pacific Division Meeting 2023, American Philosophical Association
· "Building and Delivering an Online Course: Student, Faculty, Course Developer Perspectives," 2022 Fort Wayne Teaching & Learning Conference with Dr. Shannon Bischoff, Nathan Jarboe, and Alyssa Sherman
· "Transitivity When the Same are Distinct," *Erkenntnis*, January 2022
· Vague Identity, subsection Editor, PhilPapers, 2019–Present
· "Different Samenesses," Dissertation, Ohio State
· "Pluralism from Possibilities," Presentation at Eastern Division Meeting 2020, American Philosophical Association
· "The Value of Group Work," Graduate Student Reflection Series, Blog of the American Philosophical Association

Awards

· Excellence in Course Design and Teaching, Purdue University, 2022
· Professional Development Grant, MaPSAC, Purdue University, 2022
· Bravo Award, Purdue Online, 2021
· Distinguished University Fellow, Ohio State, 2019–20, 2013–14
· Philosophy Major of the Year, Bethel College, 2011

Memberships

· American Philosophical Association
· American Association of Philosophy Teachers
· Society of Christian Philosophers
