Publications

Titles replaced with descriptions to ensure their blind review.

Under Review

In this article I argue that if Indeterminate Identity solves Thesus' Ship, then any changes in parts is enough for an indeterminate identity.

In this article I argue that temporary and contingent identity relations are transitive relations, despite proposed counterexamples.

In Progress

In this article I argue that if some objects are contingently identical, then there is evidence for pluralism about identity.

Presentations

2021. "Pluralisms from Possibilities." Eastern APA.

2021. "DIY Screencasts: Narrating for Teaching Philosophy." AAPT Biennial Conference.
